**Parking:** Onsite

### Registration / Questions:

Register online with links above or call Carrie toll free: 1-866-590-8822, ext. 53367 at least one week prior to the workshop.

In this two-part workshop, parents/caregivers will learn about the ABC's of behaviour.

In **Part 1**, we identify behaviours that interfere with everyday activities. We will also explore how parents can gather information about the interfering behaviour and develop prevention strategies.

In **Part 2**, we look at why interfering behaviours happen and the strategies to help manage them on a daily basis. Parents/caregivers identify positive alternative behaviours to teach their child and develop a plan to target a specific interfering behaviour.

*Please note: that we cannot address more severe interfering behaviours such as self-injurious behaviour (e.g., hits own head) or aggression that causes physical harm to others.*
