EXAMINATION DAYS AND INCLEMENT WEATHER

On examination days, if the rural school buses are not running due to inclement weather, examinations for that day will be delayed until the first day the rural buses are running again.

For example, if on January 28, the rural buses were not running, this day's examinations would be postponed until January 29, with all subsequent examination days advanced one school day as well.

If the city schools are open, Central will be open for study purposes during examination days. You should listen to radio station CJCS to learn if the rural school buses are running on any particular day.
