**EXAMINATION DAYS AND INCLEMENT WEATHER**

On examination days, if the rural school buses are not running due to inclement weather, examinations for that day will be delayed until the first day the rural buses are running again.

For example, if on June 27, the rural buses were not running, this day's examinations would be postponed until June 28, with all subsequent examination days advanced one school day as well.

If the city schools are open, Central will be open for study purposes during examination days. You should listen to radio station CJCS to learn if the rural school buses are running on any particular day.
