Times for oral evaluations and presentations will be determined by your classroom teacher. In some cases these times may extend into the afternoon. All written exams are 1.5 hours in length unless noted.

INCLEMENT WEATHER - On examination days, if rural school buses are not running due to inclement weather, examinations for that day will be delayed until the first day the rural buses are running again. For example, if on January 26th, the rural buses were not running, this day's examinations would be postponed until January 27th, with all subsequent examination days advanced one school day as well. If the city schools are open, Central will be open for study purposes during examination days. You should listen to radio station CJCS or check ourschoolbuses.ca to learn if the rural buses are running on any particular day.
