AMDSB Parent(s)

Re: Online Payment System Parent Survey

Engage Inspire Innovate...Always Learning forms the foundation of the work you see across Avon Maitland District School Board. Within Financial Services we are committed to ensuring that the procedures surrounding the collection of funds in our schools not only minimize risk but also that they are the most up-to-date and efficient.

We are investigating the option of providing parents with online payment opportunities for school collected funds. Online payment systems provide parents with notification of school events/fundraisers and facilitate electronic payment, eliminating the need for paper order forms and cash/cheques sent to school with students.

By completing the online survey you will provide us with greater insight into the needs of our AMDSB school communities. We expect that the survey will take approximately 5 minutes. The survey will be available until February 12, 2016.
